On behalf of **My Haitian is Beautiful Inc.** and those individuals we serve, we would like to thank you for your generous contribution. The mission of My Haitian is Beautiful Inc, a qualified 501(c)(3) nonprofit organization, is to provide cultural, educational and developmental services to the Haitian community. My Haitian is Beautiful celebrates the beauty in our Haitian culture. We take pride in our beautiful exotic features as well as honor our accomplishments and contributions to the world. We provide mentorship to young Haitian-Americans in our local communities. We embrace, educate, encourage and empower our generation Haitians to excel beyond limits. We are providing educational resources to the girls in impoverished villages in Haiti that in most cases would not receive the benefits due to gender biases and economic hardships. Educating our girls to be trailblazers for the generations to come. We have provided countless of resources such as clothes, shoes, books and shelter. We grant the donated items free of charge to economically qualifying families and individuals. Since 2014 My Haitian is Beautiful has served families, children, and the elderly in the local Haitian communities as well as Haiti.

It is because of the generosity of our friends throughout the community that join our cause and allow us to continue helping those in need. Thank you again for your caring and concern

Sincerely
